

Limited Warranty

Thank you for your purchase of this Mirobot MB2 CCE kit. Your purchase includes a limited warranty on hardware and electronics, provided by STEM Phnom Penh.

What does the warranty cover?

This warranty covers spares, repairs and replacements to hardware and electronic components of the kit necessitated by defects in material or workmanship, under normal use, during the warranty period, including the cost of shipping.

What does the warranty not cover?

This warranty does not cover spares, repairs and replacements for problems that arise due to use outside of normal conditions. The Sony batteries and charger included in the kit are not covered. Software/firmware is provided as-is, with no guarantee or warranty, under its respective licenses.

How long does the cover last?

The warranty period lasts 6 calendar months from the date of delivery. Replaced or repaired components or kits assume the remaining warranty of the original kit, calculated from the original delivery date.
